

MARS:SMITH

'AN ABSOLUTE MUST WATCH' - GRAMOPHONE
'SPELLBINDING' - YOURCLASSICAL MPR

ABOUT THE DUO

With inspiration drawn from minimalist neo classicism to Brazilian infused vocals, MARS:SMITH is a critically acclaimed duo presenting a unique, interactive concert experience with flutes, voices, piano and immersive experiences for audiences.

As the MARS:SMITH duo, Daniela Mars (flutes, vocals) and Paul Smith (piano, vocals) present a concert experience combining their own music with composers ranging from Bach to Tom Jobim. In 2024 their concerts, filming and community projects take them across Europe, to Asia, South America, the US and Australia

THE ARTISTS

As artists, Paul Smith (co-founder of Grammy nominated ensemble, VOCE58) and Daniela Mars (an internationally acclaimed ambassador for Trevor James Flutes) give concert performances around the world, appear on film soundtracks, lead outreach and community programmes, and collaborate with leading global artists. They have many millions of online streams between them.

THE CONCERT

Their concerts provide audiences with the chance to experience the rarely seen contrabass flute, for which Daniela Mars is most well known. The music of MARS:SMITH is inspired by their love of nature and travel, and alongside their music, they share their new cinematic work filmed in the Faroe Islands in December 2023.
